News: 2012-03-05 01:00

The Leibniz Universität Hannover (LUH), partner of the PONTE project, is participating to the CeBIT 2012 trade fair. A general project presentation of the PONTE project, and a video of the current PONTE system will be available at CEBIT in Hall 5, Stand E38. CEBIT visitors interested in seeing this PONTE material should request it from a person from LUH at the stand.
