PONTE update

21 February 2012

The presentations from our EU Open Day at CUH are now available for download at the [PONTE project website](#).

The first two presentations present a good summary of EU funding opportunities, which calls are open now, where to look things up (see Octavio Pemas's presentation last slide - website) and who to ask for help.

The PONTE project is excellently summed up in Mike Liebman's PONTE demo presentation. If you have any questions or would like to have further information please do not hesitate to contact me.
